Theresa Garcia is also a Senior Rosen Method Bodywork Teacher

## ROSEN INSTITUTE WEBINAR

~ PART III ~

February 26, 2019  
10:30am-noon PST

Karen Peters is also an AmSat certified Alexander Technique Teacher

In the first two webinars of this series, we explored the interior world of sensation and spaciousness which so deeply nurtures the Rosen mover. In Part III, we will bring our awareness to the Rosen mover's relationship with the outside world of earth, sky, music, community—which can also deeply nurture and support the mover!

Karen and Theresa have been teaching together for more than a decade, and delight in collaborating with each other in the rich playground Rosen Method Movement provides for exploring our embodied presence, in class and in life.

To enrich your experience of Part III, please be sure to watch the first two webinars of the series.
